

LIMITED WARRANTY

RRM Composites LLC, a Colorado limited liability company (dba "Natures Composites"), provides the following limited warranty:

What is Covered

Subject to the exclusions set forth below, this limited warranty ("Warranty") covers defects in materials or workmanship in products purchased from and sold by Natures Composites under the names TerraFence® or TerraDeck® (collectively, the "Products") if such defects adversely affect the Purchaser's ability to use the Products under normal use and service conditions. Natures Composites also warrants to the original consumer purchaser ("Purchaser") for the period of coverage, under normal use and service conditions, that Products shall not crack, splinter, rot, or suffer structural damage from termites.

Period of Coverage

This Warranty begins on the date the Products are purchased (the "Purchase Date") and expires (i) solely for Products purchased and use for **Residential Use**, on the **20th anniversary** of the date of the original purchase of Products ("Purchase Date"), and (ii) with respect to Products purchased and used for **Commercial Use**, on the **5th anniversary** of the Purchase Date (each period for Residential Use and Commercial Use, a "Warranty" Period). This Warranty is solely for the benefit of the original purchaser of the Products (the "Purchaser"); provided, however that the Warranty for Products purchased and used for Residential Use only may be transferred one (1) time, prior to the 5th anniversary of the Purchase Date, to a subsequent buyer of the real property upon which such Products were originally installed and any such subsequent buyer shall be considered as a "Purchaser" for purposes of the Warranty. For purposes hereof, "Commercial Use" refers to an application for unrestricted public access (no fee), restricted public access (fee based admission or members), or a non-residential commercial enterprise, and "Residential Use" refers to an application solely for the residential or home use. If the Products are repaired or replaced while this Warranty is in effect, the repaired or replaced Products will be warranted for the remaining applicable Warranty Period covering the original Products.

Exclusions

This Warranty does not cover defects, loss, damage, or malfunctioning of the Products resulting from: (a) use of the Products other than under normal circumstances, uses and service conditions and in a manner consistent with the application of the Products recommended by Natures Composites guidelines and applicable building codes, as interpreted solely by Natures Composites; (b) neglect, abuse, or misuse; (c) lack of proper service, maintenance, or cleaning; (d) accident, fire, flood, wind, hail, lightning, deflection or other acts of God, war, or other events beyond Natures Composites reasonable control; (e) improper handling, operation, transport, storage, or environmental conditions including mildew/mold, fade or damage caused by moisture (specifically salt water) (f) unauthorized alterations or repairs, or use of unapproved parts in or with the Products; (g) improper or faulty installation; (h) damage that occurs during shipment; (i) any cosmetic damage including, but not limited to, exposed parts of the Products that are scratched, or damaged and variations or changes in color (products may vary in color from
